VIRGINIA GAY HOSPITAL and Clinics is offering the opportunity to leave your personal mark in our community by purchasing an engraved brick as part of our Plaza of Heroes. Your brick will be installed in front of the hospital around the fountain.

Similar to the Tree of Lights, this an opportunity to remember loved ones or honor those still living.

All bricks are 4" x 8" and you can use two lines of 15 characters for each line. Spaces and punctuation count as a character. Kurt's Enterprises, in Vinton, will be doing the engraving and placement of the bricks. They will be placed around the fountain, starting at the east end, twice per year — once at the end of June and once at the end of October.

When you purchase a brick, please consider including a biography for the person being honored or memorialized. The can be be as lengthy or as brief as you'd like. Include his/her name, family, accomplishments, etc. With each

unique entry, we will be showcasing our rich history and heritage. You may also want to include a photo. If you choose to include a photograph, it will be scanned and returned to you upon your request.

Biographies will be displayed on the website, www.myvgh.org/foundation and can be accessed by clicking on the Plaza of Heroes link. This digital information will leave a lasting legacy, even longer than a brick, and will be available for loved ones around the world to view.
